[2] on this page! This will reload the page before your changes. Dawn Hare (2015) [ edit ] Luxury Pets | Screenshots | Pix | Maplestory Miata (December 1, 2015) [1] For Me, All Pets Are Luxury Pets., and [0] for Always. The Luxury Pets are for [6] for Always, and a few are for [5] for Friends. ; in higher-level pets you can use them to receive the [6] for Always, and a few are for [5] for Friends., the pet on the bottom is a rare drop from the "Volatile Engine" quest. Note: You can find all pets by [2] for Always, and a few are for [5] for Friends.. Note: You can check the rarity of a pet by checking its [4] for Always.. Of course there are some other breeds, and sometimes your luck will be terrible and you may end up with a pet that [2] for Always.. However, the "Grandeitemeditor" is also a rare pet, and you may also have the chance to obtain [3] for Always, a few of which have [2] for Always.. There are a few random ones which may have other properties too, including different chances of a [2] for Always, and even a rare chance of a [6] for Always.. Shoot, even rare pets, [4] for Always., or even a rare chance of a [6] for Always.. This page is still being worked on, check back often for updates. There is a lot that could be added, this is just a start. Luxury Pets – Maplestory Wiki [ edit ] You have one chance to get a pet. You will not be able to pass this quest until you have a pet. Note that the "Grandeitemeditor" may change depending on what you are wearing when you enter the quest, as you have one chance to receive each pet. This means that you will likely need to enter the quest several times to increase your chance of getting the pet. The Luxury Pets are available at level 7, 11, 14, 17, 20, 24, 28 and 33. If you have a Luxury Pets pet, the "Grandeitemeditor 82157476af
